

NURSING LEADERSHIP & ADMIN, M.S.

ALL IN

TO LEAD CHANGE IN TODAY'S HEALTHCARE SYSTEM

You're already a leader at work. Achieve more with your master's degree.

In tandem with health care reform and new models of care delivery, the Master's in Nursing Leadership and Administration program positions bachelor-prepared R.N.s to play a transformative role in health care. We'll build your confidence through evidence-based nursing science and helping you learn to lead the business aspects of healthcare.

HIGHLIGHTS

- Automatically earn a yellow belt in Lean Six Sigma for Health Care
- Pre-admission tests not required
- Learn one course at a time
- Supportive environment enhances learning and provides professional networking opportunities
- Faculty go all in to support you academically, professionally, and personally
- Internship (80-120 hours) - gain practice experience with an accomplished leader
- Gain real-life change agent experience in the capstone project

OUTCOMES

- Job opportunities for nursing leadership and management are projected to grow 28 percent from 2021 to 2031*
- Upon graduation, you can find a position working as a Chief Nursing Officer, Nurse Manager, Director of Nursing, Vice President for Patient Care, and much more
- Average pay \$88,580; opportunities up to \$200,000**
