

# R.N. TO M.S. IN NURSING

## ALL IN FOR HOLISTIC NURSING KNOWLEDGE

Are you a nurse looking to advance in your career with a bachelor's degree in something other than nursing? If yes, this is the perfect program for you!

This innovative, time-shortened program uniquely catapults you through your bachelor's degree and your master's degree in Nursing Education OR Nursing Leadership and Administration. All while continuing to work full-time.

How? You'll learn through asynchronous online lessons, meaning that learning will be completed independently within a window of time. Schedule coursework to fit into your life, not the other way around. And you'll have a community of other nurses alongside you for support.

Push your skills. Improve your critical thinking. Care for yourself, your family, AND your patients.

### HIGHLIGHTS

- Save time and thousands of dollars by earning two degrees in 30 months
  - Choose between a master's degree in Nursing Education OR Nursing Leadership and Administration
- Earn a yellow belt in Lean Six Sigma for Health Care
- Gain real-life change agent experience in the capstone project
- Test-free admissions and exams: grades based on papers, presentations, and projects
- Faculty go all in to support you academically, professionally, and personally

### OUTCOMES

- Job opportunities for nursing leadership and management are projected to grow 23% from 2016 to 2026\*
- 33% of nursing faculty expect to retire by 2025\*\*
- Exemplify integrity and professional responsibility as a leader in health care
- Integrate the latest research and theory with practice for successful leadership in health care organizations
- Strengthen your assessment, critical thinking, and use of evidence-based practice in decision-making skills
