

ALL IN FOR WHO YOU'RE BECOMING

Are you called to shape and serve others as a teacher? Every student deserves an outstanding teacher. Are you ready to go all in to change students' lives?

This convenient program will help you follow your calling to teach while balancing your other commitments. Build your confidence in teaching through experienced practitioners, mentorship, and modeling of best practices. Gain hands-on learning through fieldwork and student teaching.

You will earn a Bachelor of Science in Education leading to one of the following initial certifications:

- Childhood Education and Students with Disabilities 1-6 (dual certification)
- Adolescence Education in a particular content area and Students with Disabilities (7-12)
- Students with Disabilities 7-12 Generalist

HIGHLIGHTS

- Become qualified to work in multiple areas through dual certifications in General Education and Special Education.
- Feel prepared to pass the NYS Teacher Certification exams. Our students typically exceed the NYS average pass rates.
- Receive guidance through every step of the certification process, including review sessions.
- Gain opportunities to be paid for working in schools while studying, thanks to our connection with the Teacher Immersion Fellowship Program.
- Excel in literacy, curriculum planning, assessment, differentiation, cultural awareness, and classroom management.

OUTCOMES

- Childhood through Adolescence teaching positions are in demand due to the teacher shortage.
- Upon graduation, you can find a career in public, private, and charter schools.
- Set yourself apart by graduating from New York's leading university for character education.
- Our graduates build careers as classroom, consultant, and special education teachers.
