

ALL IN

FOR HOLISTIC NURSING KNOWLEDGE

Are you a nurse with a non-nursing bachelor's degree looking to advance your career? This program is for you! Earn both a bachelor's and a master's in Nursing Education or Nursing Leadership and Administration while working full-time.

Learn through flexible, asynchronous online lessons that fit your schedule, supported by a community of fellow nurses. Push your skills, sharpen critical thinking, and balance care for yourself, your family, and your patients.

HIGHLIGHTS

- Save time and money by earning two degrees in just 30 months
 - Choose a master's degree in Nursing Education or Nursing Leadership and Administration
- Earn a Lean Six Sigma Yellow Belt for Health Care
- Apply skills as a real-life change agent in your capstone project
- Experience test-free learning with grades based on papers, presentations, and projects
- Receive exceptional support from faculty invested in your success

CAREER OUTLOOK

- Nursing leadership and management jobs projected to grow 23% by 2026*
- 1/3 of nursing faculty plan to retire by 2025, creating high demand for educators**
- Lead with integrity and professional responsibility in health care
- Bridge research and practice for effective health care leadership
- Sharpen your critical thinking, assessment, and evidence-based decision-making skills

**based on information from the Bureau of Labor Statistics and NurseJournal.org*

***according to information from the American Association of Colleges of Nursing*
