

NURSING EDUCATION, M.S.

ALL IN

FOR WHERE NURSING EDUCATION WILL LEAD YOU

You already have the heart for educating nurses - now you just need a master's degree. Earn your Master of Science in Nursing Education to become a dynamic educator, equipped with the knowledge, strategies, and confidence to help your students succeed.

Whether you work in a college, university, or clinical setting, you'll advance your clinical and educational skills. Our evidence-based program will build a strong foundation in educational theory, curriculum development, teaching strategies, and the latest technological advancements in nursing education to prepare you for excellence as a nurse educator.

HIGHLIGHTS

- Coursework is 100% online, one course at a time
- Spend 136 hours working with experts in the field through clinical and teaching practice experiences
- Earn a yellow belt in Lean Six Sigma for Health Care
- Faculty go all in to support you academically, professionally, and personally
- Gain real-life change agent experience in the capstone project

CAREER OUTLOOK

- Average pay range of \$50,000 - \$100,000*
